

Cost effective Trade Credit Risk Management

A platform for growth and profitability

WHO WE ARE

Cinque is South Africa's leading Trade Credit Risk advisor. Proudly owner-managed, we provide tailored solutions in Trade Credit Insurance, risk assessment, and collections. With a team of 55+ professionals in Johannesburg, Durban, and Cape Town, we support businesses nationwide in protecting cash flow and driving growth.

The Trade Credit Risk Eco-System

Our solutions cover the full Trade Credit Risk ecosystem, supporting businesses across every stage of the credit lifecycle.

Trade Credit Insurance & Policy Management

Protects your business against non-payment from debtors, safeguarding cash flow.

Cloud-based, paperless debtor management platform for real-time insights, consistent processes, and secure access.

Top-Up & Gap Cover

Extends coverage where your primary Trade Credit Insurance policy limits are insufficient, giving extra protection and peace of mind.

Self Insurance

Structured solutions that retain selective risks and reduce Trade Credit Insurance premiums.

Credit Vetting

Evaluates potential buyers prior to extending credit terms, helping you make informed credit decisions.

Guarantee & Commercial

Tailored bonds and guarantees for construction, SARS deferment, fuel, mining & rehabilitation, and more.

Collections

Efficient pre-legal and legal debt recovery while maintaining strong buyer relationships
